The Turbine Talkers International Prepared and Evaluation contest were held tonight which meant there were no prepared speeches. We had the pleasure of two visitors Tui and Lynda who both delivered great Table topics speeches for first time visitors. Also a big thank you to our visiting judges Paul Littlejohns and Aruna Perera, both from the Newlands Toastmasters Club.

Caro Raven won the International Prepared contest, Robyn Mackay first and Chris Rabey second on the Evaluation contest. Congratulations to Caro and Robyn who will represent Turbine Talkers at the E7 Area contests.

Table topics chair:

Paul Littlejohns our guest judge ran the table topics sessions during the contest briefings and the Evaluation Contestant writing time. The Table Topics theme was news headlines, some speakers came up with some entertaining speeches from some of the obscure headlines.
